What you should do in the event of an accident or theft

Naturally, we hope you don't have an accident, but if you do, you may find the following advice useful:

- 1) People are more important than property and your first priority should be to check whether anybody is injured and attend to them, seeking medical help if necessary.
- 2) Always stop if you are involved in an accident and exchange the following information:
 - Names and addresses (including those of any eye witnesses)
 - Insurance companies and addresses (including policy numbers if known)
 - Vehicle registration numbers.
- 3) Do not admit you are to blame or offer any payment.
- 4) Draw a diagram of the accident scene. This should include the position of the vehicles before, and after the accident, the road layout, any obstructions to your or other road users' vision, the position of any witnesses and anything else which could be relevant to the cause of the accident e.g. speeds and distances involved, or the weather conditions.
- 5) IF ANYONE IS INJURED you must produce your Motor Insurance Certificate to the police or to anyone who has reasonable grounds for requiring it. If you can't do this at the scene of the accident you must produce it and report the accident to the police within 24 hours.
- 6) In an Emergency, phone our Emergency Helpline.
- 7) In other circumstances, phone our Claims Incident Control Unit as soon as possible after an accident.
- 8) If you receive any letters or documents about the accident, please send them unanswered to us.
- 9) In the event of theft of your van, you must report the incident to the Police as soon as possible and phone ourselves.

How to use the RSA windscreen repair/ replacement service

A shattered windscreen can be both inconvenient and expensive to replace. Therefore we have negotiated a priority service with our glass replacement service provider for customers who have chosen COMPREHENSIVE cover. A glass replacement service provider will repair or replace your windscreen anywhere in the country, 24 hours a day, 365 days a year.

In the event of an emergency simply call them on the FREEPHONE number below and they will be on their way within minutes.

If your windscreen needs replacing you will be responsible for the windscreen excess shown in your Schedule and VAT (if you are registered), all other costs will be charged direct to us. **If the windscreen can be repaired the excess is waived** and you will only be responsible for VAT (if you are registered).

Whether your windscreen is replaced or repaired it will not affect your hard-earned No Claim Discount.

Whether at the roadside or with our glass replacement service provider, please remember to produce your current Motor Insurance Certificate.

The use of any other windscreen supplier will not affect your right to claim.

If you have third party fire & theft or third party cover, you can still use the 24 hour priority glass replacement service provided but you will have to pay the full cost of any glass replacement. However, as a RSA customer you will be entitled to discounted prices. Simply show your RSA Certificate to obtain your discount.

How do you make your van more secure

With vehicle crime escalating, even in more rural areas, it has become increasingly important to protect your vehicle.

We have therefore compiled a list of simple measures which you can take to reduce the risk of vehicle crime:

- Always lock your van doors and shut the windows whenever you leave your van, even if it is on your own driveway or in your garage. Don't forget to lock your garage as well. A few seconds is all it takes for a thief to steal your van.
- Always take care where you park. If you have a garage at home – use it. When you are away from home try to use secure car parks. If this isn't possible, avoid leaving it in back streets or quiet areas because these are ideal working conditions for a thief. If you have to leave your van outside at night always try and park it in a well lit and busy area.
- Don't leave items in view when you leave your van unattended. Always keep them away out of sight e.g. in a glove compartment or under a seat. Even when you are in the van consider these precautions as it has been known for thieves to reach through passenger windows to steal items when the van is stationary. If you have a removable radio don't forget to take it with you when you leave your vehicle. If the radio is permanently fixed consider getting it security coded.
- Don't forget to remove all keys from your vehicle. Never leave your key in the ignition when the van is unoccupied e.g. at a petrol station, even if it is only for a few seconds.
- Many vehicles are stolen after the keys have been stolen. Avoid leaving your jacket or coat unattended with your keys in the pocket, even for a few seconds. Avoid leaving your keys in your business premises or in the home where they could easily be seen by an intruder or where they could be stolen through your letterbox.
- Consider fitting even the most basic physical security measures e.g. a steering wheel or handbrake locking device will deter thieves. Better still consider fitting an engine immobilisation system, alarm system or both.

While the above won't necessarily prevent theft, it will reduce the chance of it happening to you.

What to do if you are taking your van abroad

Your van policy provides the following cover:

| LOCATION | WHAT IS COVERED | WHAT IS EXCLUDED |
|--|---|---|
| Great Britain, Northern Ireland, the Isle of Man, the Channel Islands and the Republic of Ireland or in transit between these territories. | Full policy cover. | Standard policy exclusions. |
| All EU countries and in Liechtenstein, Norway, Croatia, Iceland, Switzerland and Andorra. | The minimum legal requirement, which could be third party only. Please call us to arrange cover for loss or damage to your van. An additional charge will apply. | Any cover for loss or damage to the van, for example: Fire, Theft or Accidental Damage. |
| Any location not listed above. | No cover provided as standard, please call us to consider cover. If we are able to offer cover an additional charge will apply. | All cover is excluded. |

The following statements relate to all EU countries and Liechtenstein, Norway, Croatia, Iceland, Switzerland and Andorra:

- The cover provided enables you to drive legally, it does not include loss or damage to the van. For an additional charge you can upgrade cover to the same as you have in the UK. If you wish to cover loss or damage to your van, please call us to arrange cover for each trip.
- While Green Cards are not required for the above countries they are still internationally recognised as evidence of vehicle insurance. We will provide you with a Green Card on request.

You should take with you your Certificate of Insurance, copy of your Policy and current Schedule. In addition you should contact ourselves to request a Guidance When Driving Abroad leaflet and a European Accident statement.

If you have an accident while abroad you can contact us from outside the UK on the following telephone number +44 (0) 870 600 2900 (24 Hours).

What to do if...

You change your van

If you change your van please notify ourselves and we'll advise of any change of premium and send an updated policy schedule. We'll need to know the make, model, engine type, value, registration number, age and cubic capacity of your new van, and also if you've registered the van in another name.

You want to change drivers

Your policy and certificate detail who you have named to drive your van. If you wish to change the names, please contact ourselves to enable us to make the necessary alteration.

You change your business address

Please contact ourselves with full details of your new address including the business postcode as soon as you know them, together with any change in your garaging arrangements. We will then be able to advise you of any change in premium and update your policy.

Your health changes

To be eligible for this policy all drivers suffering from any disability/infirmity requiring notification to the DVLA must notify the DVLA and be granted a licence to drive.

Other circumstances change

As a condition of the policy, you should notify us of any material changes which could influence our assessment of risk. Examples of a material change would be if you or any other named driver have been convicted of a motoring offence, a change in the use of your van, or any modification to the van itself that may affect its performance. This is not an exhaustive list and should you be in any doubt please contact ourselves.

Other useful points

How does no claim discount work

You earn No Claim Discount for each year of claim free driving, increasing annually up to a maximum of 5 or more years, which gives you our maximum discount from your base premium. A single at-fault claim during a one year period of insurance (or not at-fault claim if you are unable to recover your uninsured losses) reduces your 5 years No Claim Discount to 3 years and 2 at-fault claims will reduce your Discount to 1 year. See page 27 of this policy for full details.

However, if you have chosen to take NO CLAIM DISCOUNT PROTECTION which is available for Comprehensive cover then your hard earned discount (4 or more years) will not be affected unless you have more than 2 at-fault claims in 5 years. Windscreen breakage claims do not count.

What to do if you want to lay up your van

If you want to take your van off the road e.g. for repairs, then you should contact ourselves and we will recommend what course of action to take. It may be advisable to lay up your van on a temporary basis rather than cancel your policy.

Have you thought about Legal Assistance Plan?

Even the most experienced driver can be involved in an accident. Unfortunately accidents can be both costly and particularly frustrating if they are not your fault and even if you are blameless you could still be out of pocket for costs such as:

- Your policy excess
- Cost of car hire or alternative transport
- Loss of earnings
- Compensation for personal injury
- Temporary loss of use of your car and other inconvenience.

As a further service to our customers, we have arranged through our third party provider, a service which will make all reasonable efforts on your behalf to recover the above expenses following a motor accident which is not your fault. The legal costs involved in pursuing such a claim are covered up to the amounts shown in the schedule.

With Legal Assistance Plan, you also have immediate and confidential access by phone to a team of legal consultants who will give you advice and guidance on any motor-related legal matter.

If you have not taken advantage of this valuable option you may wish to include the Legal Assistance Plan, please call using the customer service number given on your covering letter to add this to your policy.

Have you thought about Breakdown cover?

Because everyone's driving needs are different, we offer four different levels of cover

Roadside Assistance

This is our entry level of service and is ideal if you just intend to drive locally.

- Whether you have run out of petrol, have a flat tyre or break down mid-journey we are here to help – as long as you are over one mile from your home address
- We will make every attempt to repair your vehicle on the spot
- If your vehicle cannot be repaired on the roadside, we will take your vehicle and all passengers to the nearest garage or one of our recommended repairers
- If you lock yourself out or lose your keys we will help you get back in.

Roadside Assistance and Homecall

This gives you protection both on the road and right outside your house and includes all the benefits of Roadside Assistance plus emergency assistance if you break down at home or within one mile of your home address.

Roadside Assistance, Recovery and European Assistance

- As well as the benefits of Roadside Assistance, we will take your vehicle home, to a garage or one of our recommended repairers or to your destination
- You can choose to continue your journey by hire vehicle
- If your vehicle needs to be garaged overnight, we will arrange for emergency overnight accommodation for you and your passengers
- All of the above benefits apply if you are driving abroad.

Roadside Assistance, Recovery, Homecall and European Assistance

This is our optimum level of cover which combines all of the above levels. This offers you complete worry-free protection wherever you are driving in the UK and abroad.

If you have not already taken advantage of this valuable option, you may wish to include it at renewal time.
